INSURANCE OFFICES

Highly Important to Farmers.

The only Exclusive Farmers' Insurance Company in the West.

THE MADISON MUTUAL,

Located at Madison, Wisconsin.

THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible Companies.

All losses promptly paid at the office as soon as proof is made thereof.

We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses, only your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops, and such like property. In this Company all such property is rejected positively by LETTING THEM ALONE.

Farmers, look to your own interest, and insure in a Farmers' Company.

We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last *fourteen months we have not had a single dollar loss*, though doing a large and prosperous business, which we believe to be without a parallel in the history of Insurance.

THIS Company offers unrivalled facilities for the insurance of Buildings and Personal Property against fire. The advantages offered, are security beyond the reach of circumstances, as the real estate insured is by law bound for the amount made to cover losses beyond the power of everyone. Every person insured is a member of the Company, and entitled to one vote. The cost of insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. During the last five years, this Company have issued 2600 Policies, and paid but three assessments at a cost to the property insured, not exceeding two mills on the dollar. Its business is principally confined to this State.

DR. J. B. MARCHISI'S

CELEBRATED CATHOLICON,

For the Relief and Cure of Suffering Females.

IT STANDS PRE-eminent for its curative powers in all the diseases for which it is recommended usually called

Female Complaints.

Of these are Prolapsus Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation, and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted) no matter how severe or how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition.

I have no hesitation in saying Dr. Marchisi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhœa, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty.

JOHN C. ORRICK, M. D., Baltimore, Md.

The Catholicon is doing good service here. All the patients that have tried the medicine have been benefited but one—and that one nothing will help.

Truly Yours,

WM. LAIRD HASLETT, M. D.,

July 5th, 1854. New Philadelphia, Ohio

I must say, from my own experience and personal observation in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz: that of female weakness, such as Prolapsus Uteri, Fluor Albus, and all irregular and painful menstruation, and diseases of irritation of the female organs.

D. Y. FOOTE, M. D.

Syracuse, N. Y.

Those needing such a remedy should inquire into the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use; together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

INSURANCE OFFICES

Highly Important to Farmers.

The only Exclusive Farmers' Insurance Company in the West.

THE MADISON MUTUAL,

Located at Madison, Wisconsin.

THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other responsible Companies.

All losses promptly paid at the office as soon as proof is made thereon.

We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses, only your own of the same class, and all will be on an equal footing.

Experience has shown that two-thirds if not three-fourths of all the fires that occur are upon stores, taverns, mills, shops, and such like property. In this Company all such property is rejected POSITIVELY by ACTION FARM ALONE.

Farmers, look to your own interest, and insure in a Farmers' Company.

We have been doing business a little over three years, and we have not been obliged to assess our premium notes, and for the last *fourteen months we have not had a single dollar loss*, though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance.

Office in Martin's Block, Milwaukee.

Capital over $165,000—in Cash and Premium Notes.

THIS Company offers unrivalled facilities for the insurance of Buildings and Personal Property against fire. The advantages offered, are security beyond the reach of fire contingencies, as the real estate insured is by law bound for the assessment made to cover losses beyond the power of premiums. Every person insured is a member of the Company, and entitled to one vote. The cost of insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. During the last five years, this Company have issued 2600 Policies, and made but three assessments at a cost to the property insured, not exceeding two mills on the dollar. Its business is principally confined to this State.

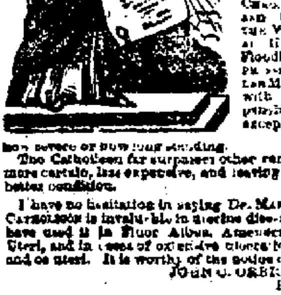
DR. J. B. MARCHISI'S

CELEBRATED CATHOLICON,

For the Relief and Cure of Suffering Females.



IT STANDS PRE-eminent for its curative powers in all the diseases for which it is recommended usually called

Female Complaints.

Of these are Prolapsus Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation, and Ulceration of the Womb; Incidental Hemorrhage or Flooding; Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (Cancer excepted,) no matter how severe or how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in a better condition.

I have no hesitation in saying Dr. Marchisi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhea, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty.

JOHN C. ORRICK, M. D.
Baltimore, Md.

The Catholicon is doing good service here. All the patients that have tried the medicine have been benefited but one—and that one nothing will help.

Truly Yours,
WM. LAIRD HASLETT, M. D.

July 6th, 1854. New Philadelphia, Ohio

I must say, from my own experience and personal observations in my practice, it has proved to be the best and surest remedy for the difficulties for which it is recommended, viz: that of female weakness, such as Prolapsus Uteri, Fluor Albus, and all irregular and painful menstruation, and diseases of irritation of the female organs.

D. Y. FOOTE, M. D.
Syracuse, N. Y.

Those needing such a remedy should inquire into the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use, together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

THE
SATURDAY EVENING POST.
Established August 4th, 1821.
Weekly Edition between 80,000 and 90,000.

THE LONG PERIOD OF OVER THIRTY-THREE years, during which the SATURDAY EVENING POST has been established, and its present immense circulation, are guarantees to all who may subscribe to it that they will receive a full return for their money. Our arrangements so far for the present year, (1855) are such as we trust will be thought worthy of the high reputation of the Post. Positive arrangements already have been made for contributions from the gifted pens of

MRS. SOUTHWORTH, GRACE GREENWOOD,
MRS. DENNISON, MARY IRVING,
ALICE CAREY, ELIZA L. SPROAT,
FANNY FERN, METTA VICTORIA FULLER,

And A NEW CONTRIBUTOR, (whose name by request is withheld.)

We are now (February) publishing a Novelet by Grace Greenwood, entitled

THE MINISTER'S CHOICE.

We purpose following this with an Original Novelet—designed to illustrate, incidentally, the great evils of Intemperance—entitled

THE FALLS OF THE WYALUSING,
By a new and distinguished Contributor.

We have also made arrangements for two short Novelets, to be entitled

THE ONEIDA SISTERS, and THE NABOB'S WILL,

By Grace Greenwood, Author of "Greenwood Leaves," "Haps and Mishaps," &c. Also, the following additional contributions:

NEW SERIES OF SKETCHES,
By Fanny Fern, Author of "Fern Leaves," &c.

MARK, THE SEXTON.
A Novelet, bearing upon the subject of "Spiritualism," by Mrs. Dennison, Author of the "Step-mother," "Home Pictures," &c.

NANCY SELWYN,
OR THE CLOUD WITH A SILVER LINING.
A Novelet, by Mary Irving.

And last, but by no means least—from the fascinating and powerful pen of the Post's own exclusive contributor,

VIVIA, A Story of Life's Mystery,
By Mrs. Emma D. E. N. Southworth, Author of "Miriam," "The Lost Heiress," &c., &c.

In addition to the above proud array of contributions, we shall endeavor to keep up our usual variety of Original Sketches and Letters, Pictures of Life in our own and Foreign Lands, Choice Selections from all sources, Agricultural Articles, General News, Humorous Anecdotes, View of the Produce and Stock Markets, Bank Note List, Editorials, &c., &c.,—our object being to give a Complete Record, as far as our limits will admit, of the Great World.

ENGRAVINGS—In the way of Engravings, we generally present at least two weekly—one of an instructive, and the other of a humorous character.

The postage on the Post to any part of the United States, paid quarterly or yearly in advance, at the office where it is received, is only 26 cents a year.

CITY LAND OFFICE.

I HAVE SEVERAL HOUSES IN THE FIRST Ward for sale on good terms, and I would advise those who wish to purchase a home to do so before Spring opens, for property must and will be 50 per cent higher. The demand for houses will be ahead of anything we have ever had, owing to the immense emigration from our own Eastern people. I receive letters every day, making enquiries about property, houses, &c. I state these facts that any who have not yet obtained themselves a home, better do so at once; and if they will not take my advice, they must abide the consequences.

I have also a large number of choice Lots in the First Ward, which will be sold at fair prices and on easy terms. My Office, at present, is on Wisconsin st.

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,
A NEW
PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by George Hews, of Boston, Mass.

The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following:

From the illustrious Pianist, L. M. Gottschalk, to Mr Hews, Agent at New York:

NEW YORK, Dec. 5, 1853.

MR N J CURTISS:—

Dear Sir: Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scale.

Very Respectfully, L. M. GOTTSCHALK.

From the distinguished Pianist, William Mason:

MR. HEWS:—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.

WILLIAM MASON.

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.

☞ Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R.R., S. C., Aug. 4, '53

DR. J. C. AYER: Dear Sir,—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect
J. D. POWELL, Supt. Trans., L. R. R.

Rocky Hill, Somerset Co. N. J., July 21, 1852.

DR. J. C. AYER:—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me
Yours, with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C. W., June 26, 1853.

DR. J. C. AYER—Sir:—This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,
D. A. McCLURE, Attorney at Law.

Wilkesbarre, Pa., Sept. 28, 1850.

DR. J. C. AYER—My dear sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,
CHAS STREATER, M. D.

CHARLES' LONDON CORDIAL GIN.

WITHOUT THE NECESSITY OF EXTRAORDINARY publicity, with scarcely an effort on the part of the proprietor, this superb Gin, in the short period which has elapsed since its introduction to the American public, has achieved a popularity beyond precedent in the whole list of Alcoholic stimulants.

The Certificates of over Five Thousand Physicians in England and the United States, proclaim its transcendant merits.

It is upon the sideboard of the family, and the bar of every well-regulated hotel; by the bedside of the sick, as well as the companion of the healthy. FREE FROM INTOXICATING QUALITIES, it is harmless in its adoption. The inebriate, by its use, finds it a slight stimulant, which while it feeds the appetite, gradually weans him from the horrors of delirium, and restores a shattered constitution.

ITS GREAT REPUTATION IS DERIVED FROM ITS absolute purity, its delicious flavor,—differing entirely from any other gin—its great utility as a medicine in cases of dyspepsia, gout, gravel, diseases of the kidneys, and innumerable other maladies for which as a remedy and preventative it has no equal.

To Travellers it is Indispensably Necessary, dispelling the annoyance frequently engendered by change of water, etc., as also, ague, fever, and malaria of every description.

Charles' London Cordial Gin is put up in square bottles, stamped with the proprietor's name, a fac simile signature upon the label, and packed in cases of two dozen each.

Beware of Imitations. The genuine Charles' London Cordial Gin can be had retail of all respectable druggists and grocers, at all hotels, and wholesale of the sole importers, DE VENOGE & CHARLES,
138 Pearl street, New York.

☞ Agents treated with on liberal terms.

USE THE
Magic Impression Paper!
For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroideries, Marking Linen indelibly, and
MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST PORTABLE inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a traveling inkstand which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in one lesson. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex; and, indeed, a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any child can use it with perfect ease. With this Magic Paper, likewise, one or four copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green, and Red, with full and printed instructions, for all to use, and will last sufficiently long to obtain five Hundred distinct impressions.

It is put up in beautifully enamelled, colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

Price—$2 a Dozen; or, Five for One Dollar. Single Packages, 25 Cents. Address, post-paid,
N. HUBBELL, 167 Broadway, N. Y.

THE
SATURDAY EVENING POST.
Established August 4th, 1821.
Weekly Edition between 80,000 *and* 90,000.

THE LONG PERIOD OF OVER THIRTY-THREE years, during which the SATURDAY EVENING POST has been established, and its present immense circulation, are guarantees to all who may subscribe to it that they will receive a full return for their money. Our arrangements so far for the present year, (1855) are such as we trust will be thought worthy of the high reputation of the Post. Positive arrangements already have been made for contributions from the gifted pens of

MRS. SOUTHWORTH, GRACE GREENWOOD,
MRS. DENNISON, MARY IRVING,
ALICE CAREY, ELIZA L. SPROAT,
FANNY FERN, METTA VICTORIA FULLER,

And A NEW CONTRIBUTOR, (whose name by request is withheld.)

We are now (February) publishing a Novelet by GRACE GREENWOOD, entitled

THE MINISTER'S CHOICE.

We purpose following this with an Original Novelet—designed to illustrate, incidentally, the great evils of Intemperance—entitled

THE FALLS OF THE WYALUSING,
By a new and distinguished Contributor.

We have also made arrangements for two short Novelets, to be entitled

THE ONEIDA SISTERS, and THE NABOB'S WILL,

By GRACE GREENWOOD, Author of "Greenwood Leaves," "Haps and Mishaps," &c. Also, the following additional contributions:

NEW SERIES OF SKETCHES,
By FANNY FERN, Author of "Fern Leaves," &c.

MARK, THE SEXTON.

A Novelet, bearing upon the subject of "SPIRITUALISM," by Mrs. DENNISON, Author of the "Step-mother," "Home Pictures," &c.

NANCY SELWYN,
OR THE CLOUD WITH A SILVER LINING.
A Novelet, by MARY IRVING.

And last, but by no means least—from the fascinating and powerful pen of the Post's own exclusive contributor,

VIVIA, A Story of Life's Mystery,

By Mrs. EMMA D. E. N. SOUTHWORTH, Author of "Miriam," "The Lost Heiress," &c., &c.

In addition to the above proud array of contributions, we shall endeavor to keep up our usual variety of Original Sketches and Letters, *Pictures of Life* in our own and Foreign Lands, Choice Selections from all sources, Agricultural Articles, General News, Humorous Anecdotes, View of the Produce and Stock Markets, Bank Note List, Editorials, &c., &c.,—our object being to give a Complete Record, as far as our limits will admit, of the Great World.

ENGRAVINGS.—In the way of Engravings, we generally present at least two weekly—one of an instructive, and the other of a humorous character.

The postage on the Post to any part of the United States, paid quarterly or yearly in advance, at the office where it is received, is only 26 cents a year.

CITY LAND OFFICE.

I HAVE SEVERAL HOUSES IN THE FIRST Ward for sale on good terms, and I would advise those who wish to purchase a home to do so before Spring opens, for property must and will be 30 per cent higher. The demand for houses will be ahead of anything we have ever had, owing to the immense emigration from our own Eastern people. I receive letters every day, making enquiries about property, houses, &c.

I state these facts that any who have not yet obtained themselves a home, better do so at once; and if they will not take my advice, they must abide the consequences.

I have also a large number of choice Lots in the First Ward, which will be sold at fair prices and on easy terms. My Office, at present, is on Wisconsin st.

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,
A NEW
PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by GEORGE HEWS, of Boston, Mass.

The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and Industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following:

From the illustrious Pianist, L. M. GOTTSCHALK, to Mr Hews, Agent at New York:

NEW YORK, Dec. 5, 1853.

MR N J CURTISS:—

Dear Sir: Having had the pleasure of performing upon the Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scales.

Very Respectfully, L. M. GOTTSCHALK.

From the distinguished Pianist, WILLIAM MASON:

MR. HEWS:—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.

WILLIAM MASON.

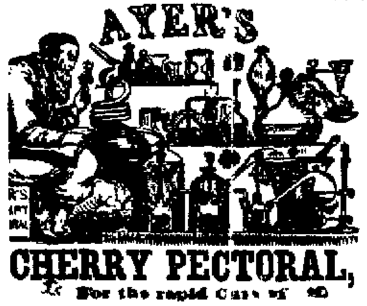
AYER'S



CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R. R., S C, Aug. 4, '53.

DR. J. C. AYER: Dear Sir,—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs *I believe it is the best medicine extant. A feeling of the* deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect
J. D. POWELL, Supt. Trans., L. R. R.

Rocky Hill, Somerset Co., N. J., July 21, 1852.

DR. J. C. AYER:—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. *It is spoken of in terms of unmeasured praise* by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me
Yours, with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C. W., June 26, 1853.

DR. J. C. AYER—Sir:—This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,
D. A. McCLURE, Attorney at Law.

Wilkesbarre, Pa., Sept. 28, 1850.

DR. J. C. AYER—My dear Sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,
CHAS. STREATER, M. D.

2,000 BARRELS OF
WINTER APPLES,

IN WINTER QUARTERS ALL THE TIME, WHICH I aim at any emergency will bring out, and at reasonable rates, too. My Fruit has been selected with great care, and I can assert, without fear of contradiction, that there are none better in market.

All orders left with me this week, or at any other time during the winter, will receive prompt attention, as I do not intend to get it so far into winter quarters but that the *Almighty Dollar* will act as a magnet of sufficient force to draw it out.

My stock of DRIED FRUIT AND NUTS of all kinds, and FISH of every description, is unusually large, of the very best quality.

City and Country Dealers are invited to call and examine my stock and prices, as I am confident I can offer them greater inducements to purchase than any other house in the West.

CITY LAND OFFICE.

A Great, Grand Bargain.

READ THE FOLLOWING:

80 Acres of Land, 4½ miles from City limits, on the Muskwonago Plank Road, 35 acres improvements, 45 acres this very best, and heavy timbered, a good log house with four rooms, and a large, well finished barn. Two wells and two springs on the place—a large Orchard, all grafted and bearing fruit, and all bearing. The land has very handsome building spots all along the road. Before the house is ornamental trees, together with a variety of shrubbery. The terms are easy—one half down, balance in annual payments for ten years, with 7 per cent interest. The price for the above place you can ascertain by calling at my office. It is very cheap. Any one who should want to see the place, I will drive them out.

CHARLES' LONDON CORDIAL GIN.

WITHOUT THE NECESSITY OF EXTRAORDINARY publicity, with *scarcely an effort* on the part of the proprietor, this superb Gin, in the short period which has elapsed since its introduction to the American public, has achieved a popularity beyond precedent in the whole list of Alcoholic stimulants.

The Certificates of over Five Thousand Physicians in England and the United States, proclaim its transcendant merits.

It is upon the sideboard of the family, and the bar of every well-regulated hotel; by the bedside of the sick, as well as the companion of the healthy. FREE FROM INTOXICATING QUALITIES, it is harmless in its adoption. The inebriate, by its use, finds it a slight stimulant, which while it feeds the appetite, gradually weans him from the horrors of delirium, and restores a shattered constitution.

ITS GREAT REPUTATION IS DERIVED from its absolute purity, its delicious flavor,—differing entirely from any other gin—its great utility as a medicine in cases of dyspepsia, gout, gravel, diseases of the kidneys, and innumerable other maladies for which as a remedy and preventative it has no equal.

To Travellers it is Indispensably Necessary, dispelling the annoyances *frequently* engendered by change of water, etc., as also, ague, fever, and malaria of every description.

Charles' London Cordial Gin is put up in square bottles, stamped with the proprietor's name, a fac simile signature upon the label, and packed in cases of two dozen each.

Beware of imitations. The genuine Charles' London Cordial Gin can be had retail of all respectable druggists and grocers, at all hotels, and wholesale of the sole importers, DE VENOGE & CHARLES,
138 Pearl street, New York.

USE THE
Magic Impression Paper!
For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroideries, Marking Linen Indelibly, and
MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST PORTable Inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a traveling inkstand which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in ONE LESSON. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex; and, indeed, a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any CHILD can use it with perfect ease. With this Magic Paper, likewise, one or FOUR copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green, and Red, with full and printed instructions, for all to use, and will last sufficiently long to obtain Five Hundred distinct impressions.

It is put up in beautifully enamelled, colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

PRICE—$2 a Dozen; or, Five for One Dollar. Single Packages, 25 Cents. Address, post-paid,
N. HUBBELL, 167 Broadway, N. Y.

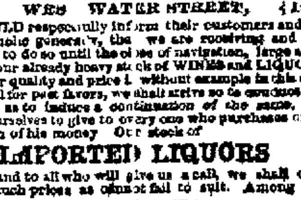
FireKing Safe, again Triumphant.



$1,000 will be paid, if reliable evidence is shown where they ever failed to protect valuables from Fire, where as other makers' Safes have proved worthless in various accidental and experimental tests, some of which occurred recently.

Read the following from Messrs A. McClure & Co., wholesale and extensive dealers in Drugs, Medicines, &c.

ALBANY, July 27, 1853

This is to certify, that on the 23d day of July, 1853, our entire Stock, composed of Turpentine, Alcohol, Oil, Paints, Medicines, &c., was consumed by fire; so rapid and severe was the fire that we were unable to close one safe until Mr Pohlman subsequent entered at the peril of his life and closed the doors.

After removing the safe open after all this exposure and fire, which made us so careful of the safety of its contents, its valuables were found uninjured.

We have so much confidence in the security of the Fire King, that we shall have it immediately replaced.

A. McCLURE & CO

ALBANY, Dec 19, 1853.

This is to certify, that on the 7th day of May, 1851, I purchased of J McB Davidson, No 7, single flange Safe, and that the same was subjected to a severe test on the 18th of December, 1851. After the fire was extinguished, its contents (books and papers,) were examined, and found to be perfectly preserved—not a leaf of my books being scorched.

Raymond, Ward Co will receive orders for Fire and Thief Proof Bank and Vault Doors. [illegible]

This is to certify that on the 25th of September last we purchased of H. D. Rice Esq. one of Mr. J. McB. Davidson's Fire Kings (No 4 Single Flange); that on the 14th of November past it was subjected to a very severe test in the burning of our warehouse, in which was stored a large quantity of whisky and other combustible materials. PATENT MEDICINES.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy.

Use the Mustang Liniment.

is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammation, it is unrivaled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthest. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring-bone, farcin, wind galls, big-heads, bruises, strains, string halt, scratches, cracked heels, sweeny, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll-evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificates in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicines at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small.
The large holds nearly three times as much as the medium.
Therefore the largest bottles are the cheapest

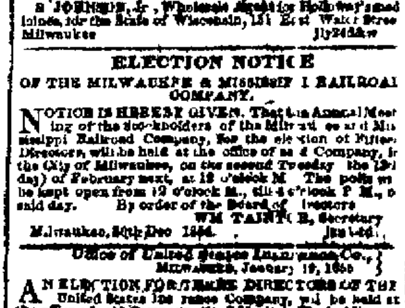
THE AMERICAN'S FRIEND!



HOLLOWAY'S PILLS.

To the Citizens of the United States:—

I most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my ancestors were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York. THOMAS HOLLOWAY,

33, Corner of Ann and Nassau Streets, New York

THE BLOOD, LIVER AND BILIOUS COMPLAINTS.

The Citizens of the Union suffer much from disorders of the Liver and Stomach. The fair sex, perhaps, the most handsome in the World, at a certain period, lose their teeth and good looks while yet in the hey-day of life. These evils may be effectually remedied by almost purely keeping the blood pure and the Liver and Stomach in a healthy action, when life will flow smoothly. I say fearlessly, the health and life may be prolonged for years beyond the ordinary limits, if Holloway's Pills are taken to purify the blood, in accordance with the directions which accompany each Box.

CURE OF WEAKNESS & DEBILITY OF TEN YEARS STANDING.

Captain John Johnson, of Astor House, New York, suffered for ten years from a derangement of the Liver and Stomach and was so reduced in strength that he never expected to go to sea any more, having tried every known remedy without deriving benefit. At last he had recourse to Holloway's Pills, which completely cured him, after using them for three months and he now enjoys the sound est health.

These celebrated Pills are wonderfully efficacious in the following complaints:—

Ague	Dropsy	Liver Complaints	Secondary Symptoms
Asthma	Dysentery	Lumbago	Tic Doloreux
Billious Complaints	Erysipelas	Piles	Tumours
Blotches on the Skin	Female Irregularities	Rheumatism	Ulcers
Bowel Complaints	Fevers of all kinds	Retention of Urine	Venereal Affections
Colics	Fits	Scrofula, or King's Evil	Worms of all kinds
Constipation of the Bowels	Gout	Sore Throats	Weakness from whatever cause, &c
Consumption	Head ache	Stone and Gravel	
Debility	Indigestion		
	Inflammation		
	Jaundice		

*** SOLD at the Establishment of Professor Holloway, 80, Corner of Ann and Nassau Streets, New York, also by all respectable Druggists and Dealers in Medicines throughout the United States, in Boxes, at 37½ cents, 87 cents, and $1,50 cents each. To be had Wholesale of the principal Drug Houses in the Union.

There is a considerable saving by taking the larger sizes.

N B.—Directions for the guidance of patients in every disorder are affixed to each Box.

PATENT MEDICINES

MEDICATED INHALATION

A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man.— It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. (See certificates in hands of Agents.)

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description; months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffocating for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.

CONSUMPTION CURED.

NEW YORK, Dec 27th, 1853.

I came to New York in the ship Telegraph, my native place is St. John, New Brunswick; when I reached this city, my health was very poor; had a very bad cough, raised a great deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life. Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOOD.

Sold by BOYD & PAUL, No 40 Cortlandt street; C. H. RING, corner of John street and Broadway, N. Y. Price $3 a package.

N. B.—Any person inclosing $3 to BOYD & PAUL, or Our[illegible] & PERKINS, New York, will receive a package containing a bottle of Hygean Vapor, one of Cherry Syrup, and an Inhaler, in a neat box, by express, free to any part of the United States; or four packages for $10. [illegible]

MEDICATED INHALATION!

CONSUMPTION CAN BE CURED, AS TREATED BY

DR. E. N. TRIST,

WITH HIS CELEBRATED

HYGEN & OXYGENIC VAPOR!

DR. TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from the *Lung Institution of Edinburgh,* and *Hotel des Invalides of Paris,* is now settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and *successful experiments* in England and Scotland, as well as other parts of Europe, with Consumption in *all its forms,* enable him to warrant, not only relief, but a *complete cure* to all those suffering with this great national disease.

Dr TRIST deems it unprofessional to advertise; but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted, that he alone is entitled to its first introduction and would caution all against using the useless and dangerous compounds advertised by incompetent persons.

"Take up thy bed and walk!"

Dr. TRIST would say to those interested that he has had manufactured, for the use of his patrons, his "*Patent Inhaling Tubes,*" through which the vapor is conveyed to the parts affected, and which he earnestly recommends for the cheering results which have attended their use; and the *fact* that they may be used by the most *feeble* and valid without any unpleasant symptoms.

To those residing out of the city Dr Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.

A cure is warranted in all stages of *Consumption, Bronchitis, Asthma,* and all other *affections of the Throat, Lungs,* and Air Passages. In case of failure, the money will be returned.

HIGHLY IMPORTANT ANNOUNCEMENT.

To the Afflicted Everywhere,

DR. A. L. ADAMS' LIVER BALSAM

COMES GREETING!

DR. A. L. ADAMS' NEW CURE FOR DISEASE is awakening the inquiry in the minds of all who read it. How lately have Americans been so long and so lavishly trammeled in darkness and ignorance on the subject of disease.

DR. A. L. ADAMS' LIVER BALSAM.

The great Panacea of Disease is offered to the [illegible] of the States and Territories for the entire cure of Liver Complaints in all stages, Bilious Fever, Ague and Fever, Chronic Lung Fever, Dropsical Affections, Coughs, Consumption, Asthma, Jaundice, Bowel Complaints, Diarrhoea, Dysentery, Rheumatism, Piles, Scrofula, Salt Rheum, Dyspepsia, General Debility, Nervousness, Costiveness, Indigestion, Female Complaints, &c.

Dr. A. L. Adams' Liver Balsam now sustains the highest reputation of any remedy before the public, and has proved to the most skeptical, beyond a shadow of doubt that it is the only reliable medicine ever discovered! (being purely vegetable) for the permanent cure of the above disease. The most skeptical have become its most zealous votaries, and pronounce the Liver Balsam to be the only reliable harbinger of health to the afflicted everywhere.

Testimonials come up from every track it has made, swollen with expressions of gratitude for the relief received by its use. And, in submitting this, the Liver Balsam is recommended to those suffering under the iron grasp of the monster disease, and at once procure one bottle of Dr A. L. Adams' Liver Balsam.

The reader's attention is called to the perusal of the Medical Circular, which can be obtained of every agent throughout the United States, giving a clear opinion of the causes and cure of disease, also, of certificates of those who have tested its unparalleled excellence; over the disease to which we are all subject.

FireKing Safe, again Triumphant.

$1,000 will be paid, if reliable evidence is shown where they ever failed to protect valuables from Fire, whereas other makers' Safes have proved worthless in various accidental and experimental fires, some of which occurred recently

Read the following from Messrs A. McClure & Co., wholesale and extensive dealers in Drugs, Medicines, &c.

ALBANY, July 27, 1852

This is to certify, that on the 25th day of July, 1852, our entire Stock, composed of Turpentine, Alcohol, Oil, Patent Medicines, &c., was consumed by fire; so rapid and severe was the fire that we were unable to close one safe until Mr Pohlman subsequently entered at the peril of his life and closed the doors

After removing the safe open after all this exposure and fire, which made us so careful of the safety of its contents, its valuables were found uninjured

We have so much confidence in the security of the Fire King, that we shall have it immediately replaced

A. McCLURE & CO
ALBANY, Dec 19, 1852.

This is to certify, that on the 7th day of May, 1851, I purchased of J McB Davidson, No 7, single flange Safe, and that the same was subjected to a severe test on the 19th of December, 1851 After the fire was extinguished, its contents (books and papers,) were examined, and found to be perfectly preserved—not a leaf of my books being scorched.

P. J CLAASSEN,
Importer of Wines, Cigars, &c., Broadway, Albany

After an examination of P. Claassen's Safe and papers, we are convinced of the superiority of Davidson's Safes over all others

This is to certify that on the 25th of September last we purchased of H B Rice Esq., one of Mr J McB Davidson's Fire Kings (No 4 Single Flange); that on the 14th of November past it was subjected to a very severe test in the burning of our warehouse, in which was stored a large quantity of whisky and other combustible materials. HOLLOWAY'S PILLS.

To the Citizens of the United States:—

THE BLOOD, LIVER AND BILIOUS COMPLAINTS.

The Citizens of the Union suffer much from disorders of the Liver and Stomach. The fair sex, perhaps, the most handsome in the World, at a certain period, lose their teeth and good looks while yet in the hey-day of life. These evils may be effectually remedied by constantly keeping the blood pure and the Liver and Stomach in a healthy action, when life will flow smoothly. I say fearlessly, that health and life may be prolonged for years beyond the ordinary limits, if Holloway's Pills are taken to purify the blood, in accordance with the directions which accompany each Box.

CURE OF WEAKNESS & DEBILITY OF TEN YEARS' STANDING.

Captain John Johnson, of Astor House, New York, suffered for ten years from a derangement of the Liver and Stomach and was so reduced in strength that he never expected to go to sea any more, having tried every known remedy without deriving benefit. At last he had recourse to Holloway's Pills, which completely cured him, after using them for three months and he now enjoys the sound[illegible] health.

These celebrated Pills are wonderfully efficacious in the following complaints:—

PATENT MEDICINES.

MEDICATED INHALATION

A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man.—It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description; months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffering for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT

CONSUMPTION CURED.

NEW YORK, Dec 27th, 1853.

I came to New York in the ship Telegraph, my native place is St. John, New Brunswick; when I reached this city, my health was very poor; had a very bad cough, raised a great deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life. Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOOD.

Sold by BOYD & PAUL, No 40 Cortlandt street; C. H. RING, corner of John street and Broadway, N. Y. Price $3 a package.

CONSUMPTION CAN BE CURED, AS TREATED BY

DR. E. N. TRIST,

WITH HIS CELEBRATED

HYGEN & OXYGENIC VAPOR!

DR TRIST, Graduate of the Royal College of Surgeons in London and the recipient of diplomas from the *Lung Institution of Edinburgh*, and *Hotel des Invalides of Paris*, having settled permanently in New York in the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and *successful experiments* in England and Scotland as well as other parts of Europe, with *Consumption in all its forms*, enable him to warrant, not only relief, but a *complete cure* to all those suffering with this great national disease

Dr TRIST deems it unprofessional to advertise; but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted that he alone is entitled to its first introduction and would caution all against using the useless and dangerous compounds advertised by incompetent persons

"Take up thy bed and walk!"

Dr. TRIST would say to those interested that he has had manufactured, for the use of his patrons, his "*Patent Inhaling Tubes*," through which the vapor is conveyed to the parts affected, and which he earnestly recommends for the cheering results which have attended their use; and the *fact* that they may be used by the most feeble and invalid without any unpleasant symptoms

To those residing out of the city Dr Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, &c., appended with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms

A cure is warranted in all stages of *Consumption, Bronchitis, Asthma*, and all other affections of the *Throat, Lungs*, and Air Passages In case of failure, the money will be returned.
